At Jewelry Camp you will meet and learn from some of the top experts in buying, selling, appraising and collecting.

The list of experts is impressive. Included are:

Elizabeth Irvine Bray, A Graduate Gemologist from the Gemological Institute of America in New York, Elizabeth Irvine Bray was a jewelry specialist with Christie's auction house for over 7 years. She is currently a consultant and appraiser based in Los Angeles, as well author of "Paul Flato: Jeweler to the Stars".

Paula Bixel, the CEO of Gilt Vintage and Artisan Jewelry in Portland, Oregon. Besides providing her clients with high quality vintage and antique jewelry, Paula's goal has been to educate and provide a source for information in her community. The pieces that have fueled her passion are also important pieces of our history and it is her goal to preserve this history and provide education in how to care for, identify and appreciate each piece for its specific place in the jewelry timeline. In this capacity she has provided professional support in the form of estate assistance, advice to local curators, as well as providing special exhibits for local galleries and museums.

Cathy Calhoun, Certified Gemologist Appraiser (CGA), is the new president of the Society's Board of Directors. Owner of Calhoun Jewelers, Ms Calhoun sits on the board of Jewelers Mutual Insurance Company, Jewelers for Children, DeBeer's Diamond Empowerment Fund, and Women's Jewelry Association. She has appeared on numerous television programs including PBS's Antiques Roadshow, ABC's Good Morning America, and World News Tonight.

As you can see from just this partial list of experts, Jewelry Camp will be no better place to enhance your knowledge of antique and estate jewelry. It is also a great place to network, renew old friendships, and make new ones.
